Priority workstreams and owners

Board responsibilities

- **WSFT Chair**, supported by the Board, Executive Group, OD Manager – EDI, staff networks, FTSU Guardian
- Actions relate to actively owning and scrutinising organisational data; hearing lived experiences; tackling inequalities, racism, religious discrimination, pay-gaps; signing Anti-Racism Charter and Inclusive Leadership Pledge; being active allies and support staff networks; having a personal EDI objective; enable and hear concerns through FTSU

Recruitment and talent management

- **Head of Resourcing**, supported by OD Manager – EDI, OD Lead, Apprenticeship Manager, staff networks
- Actions relate to implementing fully inclusive internal and external recruitment and promotion practices and processes, including No More Tick Boxes; implementing talent management plans to improve diversity at senior and executive levels; widen recruitment and entry routes to help individuals overcome barriers to entry, including engaging local communities and supporting mobility across the ICS

Data analysis and reporting

- **Workforce Information Manager**, supported by OD Manager – EDI, HRBP's, staff networks
- Actions relate to on-going, systematic and regular review/analysis of a range of organisational EDI metrics; data analysis and statutory reporting for WRES, WDES, MWRES and gender pay gap; enhancement of data quality and improvement of data maturity; direct alignment of data to key organisational metrics for impact analysis

Governance, policies, strategies and guidance

- **OD Manager - EDI**, supported by Policy Working Group, HRBP's, staff networks, OH, L&D leads, Safeguarding lead, OD Manager – Health and Wellbeing
- Actions relate to strengthening all in relation to inclusion more widely and reasonable adjustments, domestic abuse/sexual violence, and religion specifically; developing enhanced guidance for line managers on the proper and equitable implementation of policies and guidelines, particularly for flexible working, reasonable adjustment, menopause and management of unacceptable behaviour; embedding Equality Impact Assessments

Learning and development

- **OD Manager – EDI and Head of Learning and Development**, supported by L&D and Clinical education teams, staff networks; OD Manager – Health and Wellbeing
- Actions relate to enhancing the availability and range of learning and development offered to staff, especially related to inclusive leadership, reverse mentoring, allyship, gender reassignment/sexual orientation, racism; promote visibility of leaders with a disability; ensure reasonable adjustments are well understood; remove barriers to engagement in L&D activities, tracking and taking action on data; embed inclusion in mandatory training; pro-actively support international recruits

People processes

- **Deputy Director of Workforce – People and HR Services and Deputy Director of Workforce – OD & Learning**, supported by respective team members, staff networks
- Actions relate to reviewing key people processes and reducing disparity/inequalities; improving declaration data on ESR; embedding wellbeing conversations and an EDI objective in all staff appraisals; implementing a health passport; addressing bullying and harassment experienced by disabled staff; providing psychological support for staff; supporting line managers implement people processes equitably

Additional actions (NHS Improvement Plan prioritised first)

- **OD Manager - EDI**, supported FTSU Guardian, range of colleagues, staff networks
- Actions relate to improving the environment and response related to speaking up and raising concerns about a range of EDI matters; delivering a calendar of events to celebrate diversity; reducing workforce inequalities through implementing the gender pay gap review of medical staff (Mend the Gap) and extending this to senior non-medical staff; supporting staff networks to thrive

Next steps

- Each action owner briefed
- Actions amalgamated where possible, without losing the focus of the outcomes required
- Workplans created for delivery of each workstream, with timescales defined
- Prioritisation of NHS EDI Improvement Plan actions within workstreams should this be needed
- Quarterly reporting to the Involvement Committee on progress, including highlights and issues for escalation
