

Patient information

A map guide to your hospital

This leaflet provides guidance to help you find your way around the Hospital.

The Information Desk in the Main Entrance of the Hospital is manned by Volunteers who will be happy to help you with directions, call a porter or escort you to your destination.

When you arrive at the hospital you may bring the person you are for to the Information Desk and ask a volunteer to support them while you park your car in the car park.

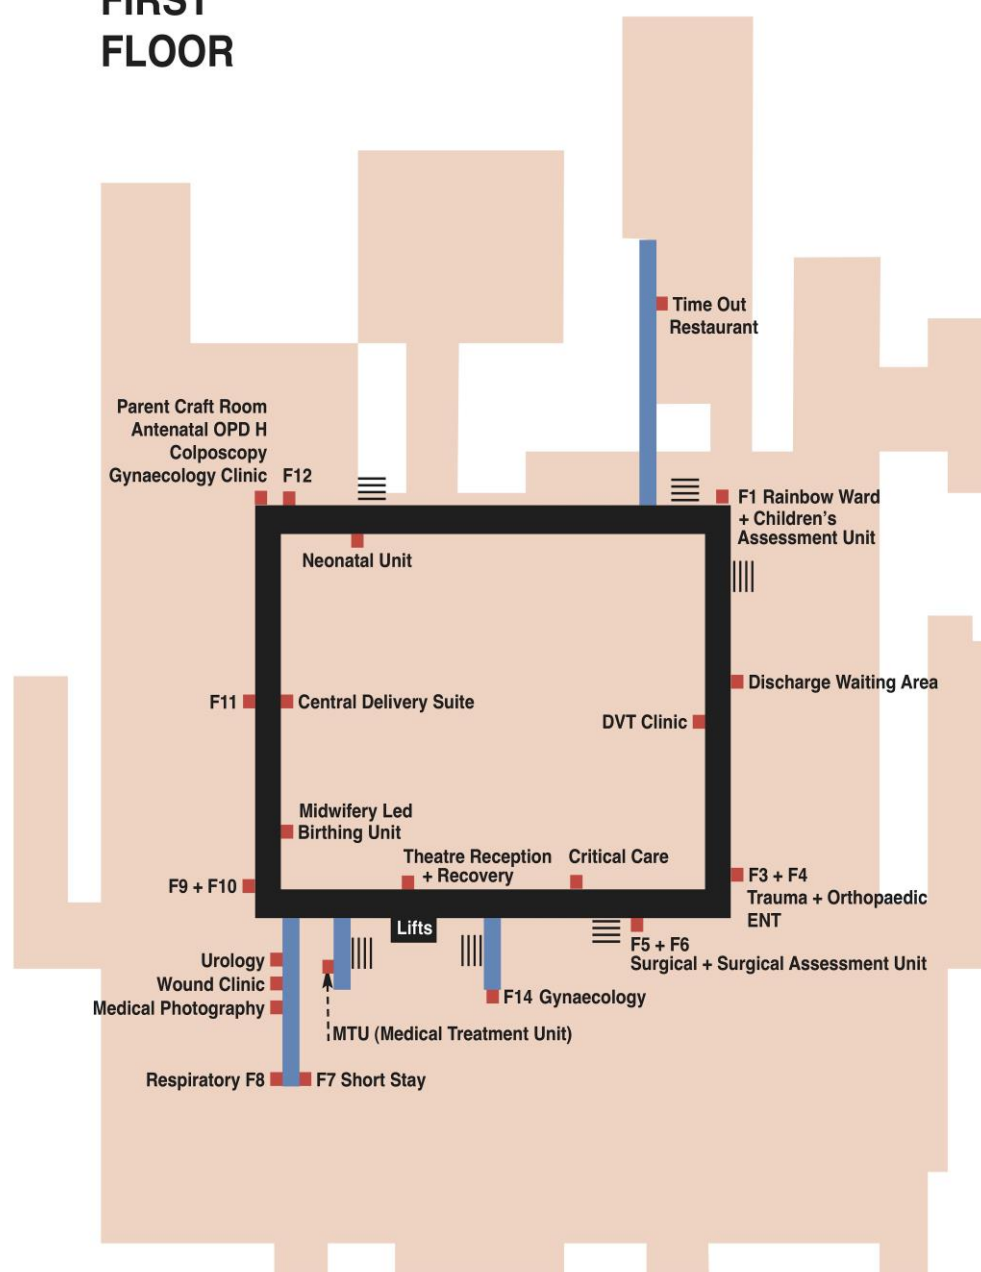

Wheelchairs for patients/visitors' use are available at the front and rear entrances of the hospital.

Toilet facilities are situated in the front entrance and the main corridors of the hospital.

If you would like any information regarding access to the West Suffolk Hospital and its facilities please visit the disabledgo website link below:
