Nursery Fees

Busy Bees at West Suffolk is a purpose built nursery opened in August 2010. It is set in a peaceful wooded area in the grounds of West Suffolk hospital. We have bright spacious rooms, specially designed for babies, toddlers and pre-schoolers, and all have access to a garden which is well equipped with lovely toys and equipment. The nursery is ideally located, with safe drop off parking, and well signposted from the front of the hospital.

Each day your child will experience lots of exciting activities, in a secure and happy environment. At the end of each day you will be given in depth feedback of your child's day at nursery. We have a friendly and experienced staff team, and all of our meals are cooked on the premises by our staff of chefs, these are healthy and nutritious, and we also offer a weaning menu for our little babies.

We look forward to welcoming you soon to our nursery at West Suffolk.
